Children Conference
November 13-14, 2001**

"Addressing the Challenges"

This two-day conference is directed to individuals who participate in a variety of ways or who are interested in the emergency medical care of children. The content of this year's program is designed to assist participants in gathering current information and technology on EMSC issues, while providing excellent professional networking opportunities. This is a wonderful opportunity to upgrade your knowledge and technical skills in a beautiful resort setting.

The topics covered will include:

- ? Teenage Club Scene/OD's
- ? Answering Important Questions in EMSC
- ? Community Based Injury Prevention Teaching
- ? Case Based Learning in EMS
- ? Children with Special Needs
- ? Body Piercing
- ? Emergency Medical Treatment and Labor Act (EMTALA)
- ? Kyds 'n' Cars, "Channeling Grief into Policy Change"
- ? EMS for Technically Assisted Children
- ? Pediatric Telemedicine
